

Environmental Policy Statement

Infinity SDC Ltd is committed to the protection of the environment and recognises its responsibility to manage and minimise the environmental impacts of our activities, products and services.

In order to achieve this Infinity SDC Ltd has set the following key aims and commitments:

- to identify the significant environmental aspects and impacts of our activities;
- to develop suitable objectives, targets and management programmes
- applying appropriate operational procedures to minimise our significant environmental impacts during normal, abnormal and emergency conditions
- to comply with applicable legal and other obligations, to which we subscribe, relating to our environmental aspects
- to prevent pollution, minimise our outputs of emissions to the atmosphere, effluents to waters/sewers and wastes to disposal facilities; endeavouring to re-use, recover or recycle materials where practicable, or safe disposal where not
- to take into account the principles of sustainable development in conducting its administrative, commercial and social activities, using the procurement of materials from local, sustainable sources;
- to ensure that environmental responsibilities are defined, communicated and understood at all levels within our organisation through the provision of appropriate training
- to ensure that suppliers and contractors understand the Company Policy and assist them in developing appropriate systems and a responsible approach with regard to environmental issues
- to communicate, co-operate and respond to the views of interested parties, including stakeholders, customers and the general public, on environmental issues, where this is practicable and likely to result in an overall improved environmental performance
- to strive for continual improvement to enhance environmental performance.

All employees on their part are encouraged to contribute actively towards achieving a work environment that manages its impacts upon the environment and prevention of pollution.

Our environmental management policy has been defined to ensure that it is appropriate to the purpose and context within which InfinitySDC operates (ie: the design, development and operations of Data Centres and associated services) and will be reviewed annually to monitor its effectiveness and to ensure that it reflects changing needs and circumstances.

This statement may be read in conjunction with the responsibilities, arrangements, procedures and guidance and together with the Health & Safety aspects form the SHE management system for Infinity SDC Ltd.
